Winter fun day

Big hit indoors even though the students were not able to go outdoors. This a great way to break up the winter ho hums.

Social committee

PTO is shooting for March for the skating party. Katina had a difficult time scheduling and contacting the company.

Pictures/yearbook

Some PTO members attended a meeting about yearbook companies. They are trying to reach the best deal on pictures and yearbooks. Decision needs to be made in the next month or two. (contract for next year). Flyers will be sent home for additional input. A choice must be made by the April 1st meeting and this will be the major topic discussed.
